Information for Customers

Planting Seasons

All hardy plants (except such bulbs as tulips, narcissus, etc.) are planted in this section from about April 1 on through the whole spring.

Planting of evergreens may also be done from late August through October.

Most hardy perennials may well be planted during the fall months.

Late fall planting of most deciduous trees and shrubs is very satisfactory and promotes an early start the following spring.

Large trees, both evergreen and deciduous, are successfully transplanted with a frozen ball of earth during the winter.

Guarantee

All our stock is guaranteed true to name, in good condition, carefully dug, and properly packed for safe delivery. Unless selected and planted by us, we can give no further guarantee, because we have no control over planting conditions, exposure, weather and after-care.

Prices

1 to 5 plants of the same kind and size at the each price.
6 or more plants at the dozen price.

25 or more at the hundred rate where given.

All prices quoted are F.O.B. our nurseries in Falmouth, and apply to our usual first-grade stock. Where a plant of exceptional specimen quality is selected, a special price will be properly charged.

Express, freight and parcel post charges are paid by the purchaser.

Truck deliveries within a normal local radius will be made without charge when they may be included in our regular delivery trips. For other truck deliveries fair charges are made, depending on distance and load.

Because of conditions beyond our control, prices are subject to change without notice. This list cancels all previous lists.

Business Hours

The Nurseries are open week-days from 8.00 A.M. to 4.30 P.M. We are closed to business on Sundays and national holidays. Visitors are always welcome.

Plans

For properties, small or large, involving problems of best design, grading, detailed planting, and construction methods, our trained landscape architects and engineers provide competent advice, well-considered development plans, and experienced supervision. Because such trained services are of real value to the property-owner, and because they cost much to acquire, reasonable charges are made for their use. Good plans are a practical guide for wise development.

Planting and Construction Work

For the actual work of planting, grading and the making of gardens, lawns, driveways, tennis courts and all landscape construction work we have large forces of experienced labor under trained foremen, with adequate working equipment. We furnish loam, manure, flagstone, wallstone, driveway materials, grass seed, fertilizers, and all landscape materials.

Hardy Perennials

Hardy perennials are the backbone of every good garden and flower border. From the creeping thymes and sweet clove-pinks to the stately delphiniums and hollyhocks, and from the early spring rock-cress to the gorgeous fall chrysanthemums, they offer a long season, wide color range and outstanding character.

We specialize particularly in those perennials which are at their best in midsummer—phlox, lemon lilies, balloonflower, iris, hardy lilies, etc. When the better annuals are judiciously combined with them they produce an all-season picture that is a lasting delight. We grow in our greenhouses many thousands of the best annuals and bedding plants.

Many of the lower-growing perennials are particularly suited for rock-garden planting. Many taller ones are among the best of all flowers for picking.

All perennials 45c each, \$4.20 per dozen, unless otherwise noted. Six or more of one variety sold at the dozen rate.

ACHILLEA, Woolly Yarrow

tomentosa. Yellow. 6 in. July-Sept.

ACONITUM, Monkshood

napellus Sparks' var. Dark blue. 2-3 ft. July-Aug. 50c each.

serpyllum coccineus. Red. 2 in. June-July.

serpyllum lanuginosus. Pink. Woolly. 2 in. June-July.

TRITOMA, Red-Hot Poker, Torch Lily.

pfitzeriana. Spikes of brilliant scarlet orange. 3-4 ft. Aug.-Sept.

TUNICA, Tunic-Flower.

saxifraga fl. pl. Double rose-pink flowers, delicate foliage. 1-1½ ft. Aug.

VERONICA, Speedwell

Blue Peter. New. Deep navy blue. Stiff stems. 18 in. July-Aug. 50c each.

Blue Spires. Clear blue. 2 ft. June-July. 50c each.

incana. Silvery foliage, purple flowers. 1 ft. July-Aug.

longifolia subsessilis. Large purple-blue spikes, clean glossy foliage. 1½-2 ft. July-Aug.

teucrium "Royal Blue." Most brilliant blue spikes. 1-1½ ft. June.

VINCA, Periwinkle, Myrtle

minor alba. Pure white-flowered variety, quite rare. 50c each.

minor Bowles variety. Improved brilliant blue. Splendid dense ground cover for shade. 8 in. April-May.

VIOLA, Violet

cornuta hybrid Chantreyland. Beautiful shade of bright apricot. 6 in. All season. (Biennial.)

cornuta hybrid Perfection. Pure white, large flowers. 6 in. All season. (Biennial.)

Jersey Gem. Rich violet, very hardy. 9-12 in. All summer. 50c each.

Royal Robe. Fine large deep violet flowers. 10-12 in. All summer. 50c each.

YUCCA

filamentosa. Creamy-white spikes. 4-6 ft. June-July. 50c each.

Herbs

A good assortment of these popular and useful plants, including **Burnet**, **Chives**, **Lavender**, various **Mints**, **Parsley**, **Sage**, **Winter Savory**, **Thyme**, **Lemon Verbena**, and **Scented Geraniums**.

6 or more plants of one variety at dozen rate.

Hybrid Tea Roses

Roses are again scarce throughout the country. We have been fortunate in securing a very generous supply of the selected and popular varieties listed here. All our plants are top-quality, 2-year field-grown. Dormant planting before May 15 is strongly advised. For later planting we offer potted plants of the same grade and quality. If substitutions may occasionally be necessary, we will select colors as nearly like the varieties ordered as possible.

Dormant plants \$1.50 each, \$15.00 per dozen.

Potted plants \$1.85 each, \$18.00 per dozen.

Ami Quinard. Rich velvety maroon, fragrant.

Autumn. Burnt orange shaded red.

Betty Uprichard. Salmon-pink, copper-carmine reverse.

Briarcliff. Deep rose-pink center, outer petals lighter pink.

Caledonia. Snowy white, large pointed buds.

Christopher Stone. Exceptionally fine scarlet-crimson.

Condessa de Sastago. Beautiful coppery red and yellow combination. Vigorous clean foliage.

Dainty Bess. Blush-pink single flowers, carmine stamens.

Dame Edith Helen. Pure glowing pink, very fragrant.

Duquesa de Penaranda. Lovely copper-apricot, long pointed buds.

Edith Nellie Perkins. Salmon-pink flushed orange.

Editor McFarland. Fine clear glowing pink.

E. G. Hill. Large dazzling scarlet.

Etoile de Hollande. Beautiful large deep red.

Frau Karl Druschki. Old favorite large-flowered white.

Golden Ophelia. Yellow flushed with flesh-pink.

Golden Sastago. Buttercup yellow, vigorous, fragrant, free blooming.

Gruss an Teplitz. Rich velvety scarlet, blooms in clusters. Intensely fragrant.

Hinrich Gaede. Brilliant nasturtium-red, opening vermilion and yellow. Fragrant.

Joanna Hill. Beautiful fragrant deep yellow. Long stems.

Julien Potin. Pure primrose yellow, full and fragrant.

Kaiserin Auguste Viktoria. Beautiful creamy-white.

McGredy's Scarlet. Large brilliant scarlet, shaded rose-pink.

McGredy's Yellow. Nonfading canary yellow, perfect form, very fragrant.

Mevrouw G. A. van Rossem. Golden yellow shaded flame-apricot.

Mme. Joseph Perraud. Shell pink edges shading to buff and orange center.

Mrs. E. P. Thom. Excellent free-blooming canary-yellow.

Mrs. Pierre S. DuPont. Fine deep golden-yellow with reddish-gold buds.

Mrs. Sam McGredy. Scarlet-copper-orange, outside flushed red. Very fragrant.

Poinsettia. Bright unfading scarlet, long pointed buds. Vigorous.

President Herbert Hoover. Copper-red, orange and gold.

Radiance. Popular clear pink.

Red Radiance. Clear watermelon red.

Rev. F. Page-Roberts. Yellow with red shadings.

R. M. S. Queen Mary. Vivid blend of pink-salmon and orange.

Sister Therese. Chrome-yellow, edges of petals carmine.

Souvenir de Claudius Pernet. Favorite pure sunflower yellow, long stems.

Talisman. Popular bicolor, golden yellow with copper and scarlet.

Our "Cape Cod Favorite Dozen"

Twelve outstanding varieties that have proven most reliable.

A well-balanced selection including all
the present-day rose beauty.

One plant of each, all top-grade, best quality, dormant stock,
Special price, \$13.75

After May 15, potted plants of the same 12 varieties, \$17.50

Betty Uprichard, Christopher Stone, Editor McFarland,
Etoile de Hollande, Golden Ophelia, Kaiserin Auguste
Viktoria, Mrs. P. S. DuPont, Radiance, Red Radiance,
President Hoover, Sister Therese, Talisman.

Climbing Roses

Best quality 2-year field-grown plants of the following leading
varieties.

Dormant stock, \$1.25 each, \$14.40 per dozen

After May 15, potted plants \$1.65 each, \$18.00 per dozen
(Except as noted.)

American Pillar. Deep crimson-pink, white center.

Blaze. The brilliant everblooming Paul's Scarlet. \$1.75 each.

Climbing American Beauty. Double rose-pink.

Climbing Mrs. P. S. DuPont. Fine deep golden yellow, large
flowers.

Climbing Talisman. Popular red-and-yellow bicolor.

Dorothy Perkins. The favorite clear pink rambler.

Dr. W. Van Fleet. Beautiful flesh-pink.

Elegance. Large pure yellow center shading to white. \$1.50
each.

Excelsa. Improved crimson rambler.

Gardenia. Yellow buds opening to cream.

Golden Climber. (Mrs. A. C. James.) Best yellow climber,
fragrant. \$1.50 each.

Golden Glow. Large masses of fragrant spectrum-yellow
flowers. \$1.50 each.

Mme. Gregoire Staechelin. The "Spanish Beauty." Very
large clear pink. \$1.50 each.

Mary Wallace. Large semi-double bright pink.

Mermaid. Very large and beautiful five-petal flowers of lasting
pale yellow. A continuous bloomer best grown in a low
spreading form. Very scarce. \$2.00 each, \$21.00 a dozen.

New Dawn. The beautiful shell-pink everblooming Van
Fleet. \$2.00 each.

Paul's Scarlet. Brilliant semi-double scarlet.

Also extra heavy pot-grown plants, exceptional quality at
\$2.25 each.

Silver Moon. Huge creamy-white, single.

Tausendschoen. Old favorite, shell-pink.

White Dorothy. Pure white rambler, Dorothy Perkins type.

Wichuraiana. The trailing Memorial Rose. Glossy foliage,
white flowers in July; best used as ground cover. \$1.00 each,
\$9.00 per dozen.

Polyantha and Floribunda Roses

The low-growing, everblooming bush roses. Always popular and effective. Very hardy. All best quality, 2-year field-grown plants.

Dormant plants \$1.50 each, \$15.00 per dozen.

Potted plants \$1.85 each, \$18.00 per dozen.

Betty Prior. Beautiful silvery, rose-pink single flowers, blooms continuously.

Dagmar Spaeth. Lovely alabaster white edged pink.

Donald Prior. Huge clusters, bright scarlet crimson.

Ellen Poulsen. Double bright rose pink, fragrant.

Else Poulsen. Beautiful semi-double bright rose-pink.

Golden Salmon. Brilliant salmon, almost clear orange.

Gruss an Aachen. Great clusters of large tea-rose pink with creamy tints.

Ideal. Darkest red flowers, dark foliage.

Permanent Wave. Semi-double rich carmine-pink flowers with wavy-edged petals.

Pink Gruss an Aachen. Fine large clusters of salmon-pink.

Pinocchio. Brilliant salmon flushed with gold. Pointed buds in constant profusion.

Triumph of Orleans. Bright cherry-pink, large clusters.

For Better Gardening

Annual and Bedding Plants

For all-season color and for abundant cutting such annuals as Snapdragon, Ageratum, Petunias, Heliotrope, Zinnias, Marigolds, Salpiglossis, Geraniums, and many others — old favorites and new introductions — are unequalled. Most of our plants are pot grown for best immediate effectiveness.

Insecticides and Weed Killers

There are many pests, weeds, and other gardening nuisances, but most of them can be controlled by proper applications, carefully made according to directions. Our Garden Supply Shop carries a complete line of reliable insecticides and weed killers, including DDT, 2-4D, Triogen, and many others.

Fertilizers for All Purposes

Lawns, trees, flower gardens, roses, fruits — each should be regularly fed with the best fertilizer for its particular needs. We have the fertilizers.

Deciduous Flowering Shrubs

FLOWERING SHRUBS offer perhaps the greatest and quickest return on a small investment. Prices of good-sized shrubs are low. Plants grow quickly, provide a wealth of flower, and often most attractive fruits.

For late spring and early summer planting, shrubs in full leaf, even in flower, may be moved with a ball of earth. A small extra charge for balling and bur-lapping such plants gives added insurance of their success.

	Each	Dozen
ACANTHOPANAX pentaphyllum , Aralia Finely cut glossy foliage. Grows in partial shade. 3 to 4 ft.....	\$1.00	\$10.80
ALTHAEA . See Hibiscus.

nivalis . Beautiful white-flowered variety. Scarce.		
1½ to 2 ft.....	1.75	18.00
Pink Hybrid . Delicate clear pink flowers.		
1½ to 2 ft.....	1.75	18.00
CYTISUS scoparius , Scotch Broom. Sometimes called Native Gorse. Bright yellow flowers in May.		
Pot plants	1.00	10.80
DEUTZIA gracilis , Slender Deutzia. White flowers in June. Dwarf.		
15 to 18 in.....	.90	9.60
gracilis rosea , Rose Panicle Deutzia. Pink variety of above.		
1½ to 2 ft.....	1.00	10.80
scabra — Pride of Rochester. Sturdy, tall-growing. Pink-tinted, white bell-shaped flowers in July.		
2 to 3 ft.....	.90	9.60
3 to 4 ft.....	1.25	12.00

Two of our Planting Specialties

SEASHORE EXPOSURES

ALL-SUMMER ATTRACTIVENESS

Both present special problems and require careful selection of suitable plant materials.

Our long experience on Cape Cod can help you.

A SEASIDE GARDEN ON CAPE COD DESIGNED AND CONSTRUCTED BY H. V. LAWRENCE, INC.

1886

A Complete and Competent Horticultural Service

1947

THE CAPE COD NURSERIES

Quality plant materials for all purposes. Trees, flowering shrubs, evergreens, roses, vines, perennials, rock plants, fruit trees and bush fruits.

THE FLOWER & GARDEN SHOP

Fresh cut flowers, house plants.
Appropriate decorations.
Annual and bedding plants for summer gardens, borders and window boxes.
Flower and vegetable seeds and plants; pottery, vases, garden ornaments, gifts.
Fertilizers for various purposes.
Insecticides for all needs.
Gardening tools and supplies.

THE LANDSCAPE OFFICES

Trained Landscape Architects and Engineers to plan with you how best to improve your property, small or large — what to use where, and how to go about it.

LANDSCAPE CONSTRUCTION

For the actual work of planting, grading, the making of gardens, lawns, driveways, tennis courts and all landscape construction; experienced labor forces and equipment; loam, manure, fill, flagstone, wallstone, driveway materials, lawn seeds and fertilizers.

Maintenance service, mowing, pruning, and competent general care of grounds.

For over sixty years — a service reliable and worthy of your confidence

H. V. LAWRENCE, INC.
FALMOUTH, MASSACHUSETTS

Small Home Grounds

Most Cape Cod homes are modest in their size and simple in their treatment of grounds.

In the landscaping of these smaller homes this very simplicity, if it is to be attractive, involves the need for good taste and proper relationship of grounds to house.

Limits of space and limits of expenditure necessitate the wisest choice of plant materials, and their proper placing. For example, fewer plants of low-growing kinds are needed for such foundation plantings. The taller kinds should be used along the borders of the lot to give privacy, to frame good vistas, to provide attractive pictures that are enjoyed from within the house as well as from without.

Exposure to salt-laden sea winds is often more of a problem than winter hardiness, and restricts plant selections to those kinds best fitted to survive.

Naturally light sandy soils must be strengthened and properly prepared before planting is done, to assure lasting success.

Service elements, driveways, walks, clothes-yards, should be kept to a practical minimum, to allow maximum space for lawns, borders, gardens, fruit trees or whatever else may be desired.

Competent advice at the start almost invariably saves money in the end, and gives you the pleasure and satisfaction of a job well done.

The combination of long practical experience, sound technical training, and a thorough knowledge of plants, soils, and all landscape materials enables us to offer that competent advice.

For some home grounds verbal recommendations and suggestions are all that may be needed. For others, where more intricate problems of grading, exposure, or special features are involved, it pays to have carefully studied plans prepared. Such plans serve as a definite working program to be carried out step by step as convenience or budget may dictate, but always working toward a well-considered complete objective.

This is what the H. V. Lawrence Complete Landscape Service offers to owners of homes, large and small, on and near Cape Cod.

CAPE COD NURSERIES

	Each	Dozen
ELEAGNUS angustifolia , Russian Olive. Silvery green foliage, spotted fruit. Sturdy grower in sea-wind exposures.		
3 to 4 ft.....	\$1.25	\$13.20

4 to 5 ft.....	1.50	15.00
HIBISCUS syriacus , Rose of Sharon, Althea. White, pale pink, red, and blue, summer flowering.		
2 to 3 ft.....	1.00	10.80
3 to 4 ft.....	1.50	15.00
A limited number of heavy 4 to 6 ft. plants, \$3.50 to \$5.00 each.		
HYDRANGEA arborescens gr. fl. , Snowhill Hydrangea. White flowers in round heads in June.		
2 to 3 ft.....	.90	9.60
hortensis , Double Blue Hydrangea. Prominent Cape Cod favorite. Hardy.		
1½ to 2 ft.....	3.50	
opuloides , Single Blue Hydrangea. Graceful flat flower-heads, quite distinctive.		
1½ to 2 ft.....	3.00	
paniculata , Panicle Hydrangea. Open loose panicles, often preferred. Aug.		
2 to 3 ft.....	1.00	10.80
paniculata gr. fl. , Pee Gee Hydrangea. Familiar dense pointed flower heads, white fading to pink. Aug.		
2 to 3 ft.....	1.00	10.80
HYPERICUM aureum , Golden St. Johnswort. Good dwarf shrub, golden yellow flowers in midsummer.		
1½ to 2 ft.....	.90	9.60
ILEX verticillata , Winterberry. The splendid native shrub, covered with Christmas red berries all fall. Prefers moist locations.		
3 to 4 ft.....	1.25	13.20
4 to 5 ft.....	1.75	18.00

	Each	Dozen
KOLKWITZIA amabilis , Beauty Bush. Well named; long arching branches covered in June with hundreds of soft pink bells.		
1½ to 2 ft.....	\$1.00	\$10.80
2 to 3 ft.....	1.35	15.00
4 to 5 ft. specimens.....	3.50	
LIGUSTRUM ibota , Ibota Privet. Spreading growth. Very hardy. Black berries.		
2 to 3 ft.....	.45	4.80
3 to 4 ft.....	.60	6.00
ibota regelianum , Regal Privet. Low-growing spreader, good facer for tall shrubs.		
1½ to 2 ft.....	.60	6.00
2 to 3 ft.....	.90	9.60
ovalifolium , California Privet. Excellent heavy dark green foliage. Most used for hedges.		
1½ to 2 ft.....	.25	2.40
per 100, \$18.00		
2 to 3 ft.....	.35	3.00
per 100, \$25.00		
3 to 4 ft.....	.45	4.20
per 100, \$30.00		
LONICERA fragrantissima , Fragrant Honeysuckle. Earliest flowering of all shrubs. Deliciously sweet creamy flowers in March and April.		
2 to 3 ft.....	1.00	10.80
tatarica alba , White Tatarian Honeysuckle. White flowers, red fruit. Very sturdy grower.		
3 to 4 ft.....	1.00	10.80
tatarica rosea , Pink Tatarian Honeysuckle. Soft pink variety.		
3 to 4 ft.....	1.25	13.20
tatarica rubra . Bright rose-red flowers, red fruit in late summer.		
3 to 4 ft.....	1.25	13.20
MYRICA carolinensis , Bayberry. Best Cape Cod native. Waxy gray berries make candles. Glossy foliage makes fine low masses.		
15 to 18 in.....	1.00	10.80
18 to 21 in.....	1.35	15.00
PHILADELPHUS coronarius , Mock Orange, Favorite "Sweet Syringa." Pure white flowers in June.		
3 to 4 ft.....	1.00	10.80
5 to 6 ft. specimens.....	2.50	
grandiflorus , Large Mock Orange. Quick growth, attractive white flowers.		
3 to 4 ft.....	1.00	10.80
6 to 8 ft.....	2.50	
virginalis . Large semi-double sweet flowers in June, and often later at intervals.		
3 to 4 ft.....	1.25	13.20
4 to 5 ft.....	1.75	18.00
5 to 6 ft.....	2.50	
PHOTINIA villosa , Red-berried Photinia. Thick glossy foliage, white flowers in June, scarlet fruit in fall.		
5 to 6 ft.....	1.50	16.80
6 to 8 ft.....	2.50	27.00
PRUNUS glandulosa , Double Pink Flowering Almond. Dwarf, double rose-pink flowers, April-May.		
2 to 3 ft.....	1.00	

C A P E C O D N U R S E R I E S

PRUNUS—Continued		Each	Dozen
maritima , Beachplum. Justly popular sea-shore native. Covered with pinkish white flowers in May, followed by edible plums that make grand jelly.			
1½ to 2 ft.....	\$.75	\$ 8.40

Strong plants.....	2.50	20.00	
Cuthbert. Large red fruit.			
Indian Summer. Everbearing, red.			
Logan Black Cap. Best black-fruited sort.			
Taylor. New, prolific, red.			

CULTIVATED HYBRID BLUEBERRIES

Used more widely every year, and deservedly so, because of their great productivity of large sweet fruits. The naturally acid soils of southeastern Massachusetts are particularly favorable for these Blueberries.

We offer three varieties proven most satisfactory in this section:

Jersey. Large berries. Midseason.

Rancocas. Early and tall. Fruits heavily.

Rubel. The best all-purpose variety.

2 to 3 ft. plants, \$2.50 each; \$27.00 per dozen.

We can also supply a limited number of 4 to 5-foot plants at \$8.00 each.
